John E. Howard Papers, 1857-1966; 10 inches

The John E. Howard Papers consist mainly of legal, financial and property papers related to John E. Howard during his life. Donated by the Estate of Mary Agnes Howard, his daughter, they also contain some interesting correspondence from his family in England telling him of his mother's death. The family record, dates of births, can be found in his Catholic's Vade Mecum.

Another interesting item is *The Bulletin*, printed in Cincinnati on October 13, 1900 showing a large picture of Howard taken just after the 1900 Storm and telling about his loss of property.

The original photograph and several other photographs of family members are housed in the Name File under Howard Family.
