Mr Stephenson.

I regret to have to enclose herewith vouchers of C W Canfield. He must sign C W Canfield, and not Charles W Canfield, as he is so reported on Form No 2. I have no blanks or I would send them. Lt Bonnoffon of Indianola has them if you have not. When these are corrected, tear up the old ones and send me the new ones. He must sign them himself and not by a clerk. If you attend to it right away I will put them through

Very Respectfully
Your
