John. C. Stevenson Esq.

Dear Sir.

I have sent you some blanks for reports. I have seen Lt Garretson with reference to your salary for May & June.

The clerk promises to send the June money to you at once, but says the May Vouchers were never sent him by the Asst. Adjt. Genl. you had better see that the omission is rectified at once. In case the

Owing to the prevalence of the epidemic and the long time yours took in coming I will wait untill I receive an answer to this before I send any money

Please answer this and enclose me blanks as I and let me know if my name is reentered and when affairs are going to start again as usual

Money for June is not received in a week or ten days, write to St Garretson or Myself.

I shall be pleased always to serve you in any way.

Do not think I am dunning by enclosing the book bill.

I know the books were sadly delayed, ~~that the~~ sales must be very slow.

Still if you can, without inconvenience, send a part, it will be very acceptable, as I am settling up.

If you desire it, I will endeavor to have your name placed on the Rolls again of Teachers receiving pay from the Bureau.

Let me hear from you on this subject.

Yours Truly

E L Wheelock
