Yours of Jan 25th with reports & church letter is recived. I am very much pleased with your statement of progress. I see you have on report 115 scholars. Can you not bring it up to 120 so that we can draw the full $70. per month from the Bureau. You did not mention in your ch-letter the fact that A. M. A. gave something like $400. to start the Barnes Institute.

Fraternally
C. H. Howard.
