J. C. Stevenson Esq:

Dear Bro— Enclosed I send you letter of Miss J Stoneman, of whom I wrote you. She will make you a good Teacher for two months at least, and if you want her longer, I presume she can stay another month. I hope you will also arrange to have one colored teacher employed— if not before at least after Miss Stoneman leaves. Or, if Miss Williams can have a school in the country and you do not ~~x~~ new three teachers, you might substitute a colored teacher for her. I leave it to your discretion.

Fraternally Yours,

C H Howard
