Austin, Tex.
Aug. 15. 1870.

Dear Sir:

In reply to your letter of the 9th inst. I would say that the Bureau had suspended all of the School funds and hence the reason that a part of the "A. M. A." teachers received no pay for June. We used it as far as it would go.

Yours,
Edw Barthelomew
Supt. of Ed.

The deed (copy) to the Galveston lot is received.
