Rev J. O. Stevenson
Galveston
Texas

Dear Bro.

I am going to Mississippi next week, shall visit Long also school and will then decide which teacher will go to Galveston Miss Eastman will probably go though they dislike very much to have her.

Since my telegram related to Miss Hart, she has suddenly appeared to us.

You have doubtless heard that Miss Hammond's health will not admit of her going South.

I trust you will be able to get along until Miss Eastman arrives.

Fraternally
C. B. Howard
Secy
