Dear Dr Bro

Yours of May 19. is received. I shall have the lightning rods put up*. The clause in my letter which you quote as "agent progressively" I do not remember. It is a mistake either in copying or in reading. I do not find any copy of my letter here. I think I wrote when absent from the office.

Our a/c with you in regard to "Every Body's Paper" is as follows.

You are credited in December for Paper		2.95
" " March		3.75

The bill has not yet come in. It will probably not equal $193

Miss Williams in her statement for June acknowledges the receipt of $15 from your June gift. On your statement for some months no charge appears for her. I hold her voucher for June 3. for $15. It appears to be a mistake of hers in entering your name. Is that the first instance?

I want to trouble you for vouchers for the proceeds of tuition, to use in settlement. I enclose blanks which please sign and return and greatly oblige

Yours as ever
C. H. Howard
