Dear Bro^th^

I note your acceptance of $400 per year and expenses. The principal objection to commissioning the Lavaca teachers, is that they are not converted to Christ—But perhaps I will send the commissions to you.

Yes, you are to write monthly church letters, leave the address blanck, and ~~direct~~ to me till you hear further.

Report direct to Chicago, use Bureau blancks. How do you like your present school?

C. H. Howard
