Dear Brother

Yours of the 11th is received, Am pleased that you are to take charge of the S. S. I will send you the School for Cottage Organ very soon

Please say to Maj Stevenson that his letter has been received and I note what he says about Corpus Christi, & Crockett, I hope soon to send a teacher to the former place.

Was much pleased with what you both said of Dr Sears.

We are still in doubt with regard to what is Gov of Texas.
