Dear Brother

Yours of the 20th here, welcome. I like to know the details of your school. If you think it best A. M. A. might put a stake in to the new Building. Could you not raise funds for such a purpose there? We feel under obligations that you did not leave us, on receiving a tempting offer.

The Lord reward you.

Shall we ~~take~~ this last as a church letter as will you write another?

Yours Fraternally
