Dear Sir.

Your favor dated 26. ult is received, and we are glad to learn of your safe arrival home. We trust you are enjoying your vacation. We expect you will be at Galveston the 1st of October, ready to begin operations. Secy Howard desires that you should stop at New Orleans on your way and see Rev. J.M. Healy. He hopes that you will be ordained there so that you can preach regularly at Galveston.

We join in regards & good wishes.

Fraternally yours
S.H. Clark.
