House of Representatives,

TWELFTH LEGISLATURE,

STATE OF TEXAS

Austin, Sept 28th 1871.

Mr J. D. Stenson
Galveston Texas
Dear Sir.

I am in receipt of two letters from you regarding the case on Barnes institute. Certainly the contract is nullified else how could I have withdrawn it. I have not time to draw you off a copy for you as it is quite lengthy.

Very Resp.
yours in haste

P. S. What do you want a copy of case for Stenson. I have annulled

it and of course matters stand as though it had never been made.

Dont it possible for you and Griffin to come to some amicable arrangement — It is to the interest of the A. M. A. as well as for the good of the school system.

Yours

Sinclair
