J. O. Stevenson Esq,

Dear Bro: Your favor with report & acct of Miss Williams rec'd. Miss W. asks for 15 dollars - I send you $100 from which please pay her 15 or 25 dollars or the may desire taking her receipt - I was a little surprised to find we were owing her so much on last year - If she is willing I will settle with her by a Promissory note on 8 p/ cent int. Please state whether you know anything personally of her account. Maj: Clark has the last year's books with him & has been so busy with his new duties that he has not balanced them -

We want the statistics

of the Block — So I think you may as well continue to send One Bureau Block Report for the entire school every month — All the teachers can sign one Report. The Bureau is not pinned down by law yet & we want the Reports for any call for statistics it may make.

Do you understand that Miss Williams' salary began again with October. Did she begin sooner than? You need not trouble her about the matter but inform me & oblige

Yours Fraternally
O. O. Howard

P.S.

Please thank Miss Williams for her donation & tell her with the rest a "Happy New Year"

Please file with the Accounts — re Evelina Thomas Account for ground and Miss Wilkinson
