J. O. Stevenson, Galveston, Texas -

Bro Stevenson: I have signed the deed & forwarded to N. Y. for their information & the action suggested by Mr Sherwood - It would have been as well to have deeded in simple form the Col te "A. M. A incorporated in State of New York."

We will respond to Church Trustees - Please name one for A. M. E. Ch if there be none - Also write me the Church Connection of each of those old ones as I have no record - We need only one from each Denomination & ought to have some other men than trustees, also, I can rely on - If you remain & Dr Woodward I think

it would be well to have one or two more reliable minds of A. M. A. who reside in Texas.

I am sorry we cannot agree to pay a single penny towards fence a building just now but may be able by & by - Tell Maj L. W. Stevens or the Colored people to get the fence up at some rate - But we are just struggling to pay teachers off now - You will appreciate our want You cannot know our need is great. Miss Williams can remain two years I believe - Could get a school in the interior to pay $ & board & spend the up country air for a few months? We judge so from the kind calls for teachers - If incorporated by a State A. M. A. must be able to hold property anywhere I suppose? - My regards to Mrs. R. & other friends - Yrs C. H. Howard
