Galveston Texas

Dear Bro:

Mr. Whipple has just returned to me instead of to the Attorneys the deed of the Galveston property - No further acknowledgement of Trustees is thought necessary as the Deed shows the property goes to the A.M.A. who has appointed the Trustees. I notice that the attys asked for my acknowledgement to be before a Court of record - But not having observed this at first I do not think it best to delay now - Especially as I am one of the Officers of the A.M.A. Let the

other signatures be duly

use of the property and ob-
