

HOUSE OF REPRESENTATIVES,

TWELFTH LEGISLATURE,

AUSTIN, TEXAS, Mar, 22nd, 1871.

Dear Sir Stinson

Ruby came to me this morning and signed your petition. I told him I had written you that he declined which seemed to grieve him and he wrote you a letter which he showed me and on which I made a memorandum. I will get as many of your friends to sign it as I can and hand it to the Gov. if you do not conclude to come up and push the matter yourself.

Yours

Sinclair
